Clear Chrome Cache

The fastest way to clear Chrome cache is to use the following multi-key combination. With Chrome open, press all three keys at the same time and then release.

Multi-key select:

- Shift
- Ctrl
- Delete

Make sure the box next to 'Cached images and files is selected Unselect other boxes Click 'Clear data'

An alternate method is explained on the following pages.

Clear browsing data							
		Basic		Advanced			
Time	range	Last hour	Ŧ				
	Browsing history Clears history from all signed-in devices. Your Google Account may have other forms of browsing history at myactivity.google.com.						
	Cookies and other site data Signs you out of most sites. You'll stay signed in to your Google Account so your synced data can be cleared.						
	Cacheo Frees u visit.	l images and files Ip less than 208 MB. Some	sites may loa	d more slowly on your next			

- 1. Open Chrome to a new tab
- 2. Close all other tabs
- 3. Select Settings
